

BULK SEED TENDER® **225 RST**

225 Unit Capacity | 6" Auger | Unload up to 400lb/Minute | Powder Coat Exterior

The Meridian Bulk Seed Tender® 225 is equipped with two compartments and holds enough seed to keep you in the field all day. It is user-friendly and very reliable. This basic model works great as a tender for planters with individual boxes and bulk fill planters. Fill your planter with ease by using the control located at the end of the spout.

Features:

- Bulk fill 6" poly-cup auger
- Unloads up to 400lbs/minute
- Agri-Cover spool tension roll tarp
- 3 tier spout with remote switch
- Electric start gas engine
- Manual flow control gates
- (2) 112 unit compartments
- (2) view glasses
- Fold-down side access ladder
- High impact powder coat exterior

Options:

- Trailer with torsion axles and electric brakes
- Electric fold-over lift assembly
- Scale package
- Wireless key fob
